

Choosing Joy

The Right Perspective, Part 1

Philippians 1:1-6 | March 22, 2020

This is the perfect time, while our circumstances have us experiencing “togetherness” in a whole new way, to dig into the Word with our families. We are providing these discussion questions to help get you started.

Discussion Questions:

1. What specific circumstance is presently distracting you most from keeping the right perspective? How and why is it distracting you?
2. How does knowing Paul's difficult circumstances encourage you in the midst of your own difficulty?
3. How do you think Paul's perspective, in spite of his circumstances, affected those around him? The Philippians? How might your current perspective and joy be affecting those around you for the gospel?
4. What one step could you take this week to begin growing in having the right perspective and growing in choosing joy?
