Choosing to Pray

Philippians 1:9-11 | April 5, 2020

This is the perfect time, while our circumstances have us experiencing “togetherness” in a whole new way, to dig into the Word with our families. We are providing these discussion questions to help get you started.

Discussion Questions:

1. When you think about love, what images, thoughts, or memories come to mind?
2. How can/do you intentionally grow in your love for others? Why is loving others sometimes so difficult?
3. In your own words, explain why knowledge and discernment are such important qualifiers describing how we are to show love to others?
4. When do you tend to struggle most having pure motives in your love? Why is that?
5. Brainstorm ways you as a group or as an individual can show love to other believers and nonbelievers this week.
6. Close by praying this Scripture over one another and over the Church.
