

Together Is Better

Hebrews 10:24-25 | May 10, 2020

Discussion Questions:

1. What have you missed most about not getting to gather in person over this season?
2. How have you experienced deep church family relationships in the past? In what ways do you intentionally treat other believers as family?
3. Why do we sometimes struggle stirring others up to love and good works? What challenges do you personally encounter? How could you/we adjust in order to overcome those challenges?
4. What was the last thing you did to encourage someone in your church family? Who is someone who could use your encouragement this week?
5. Why do you think verse 25 states, "all the more as you see the Day approaching"? Why "all the more"?
