

Choosing Joy

Heaven and Earth

Philippians 1:22-26 | May 17, 2020

Discussion Questions:

1. How does focusing on Heaven help you in your walk with Jesus in the midst of life's difficulties?
2. Where is the line between living like Heaven is our home and living like this our home is here? How can we live wisely here according to God's precepts while also keeping our focus on eternity with God in Heaven? Is there any contradiction between these ideas?
3. Why is it that we are sometimes more excited about seeing loved ones or experiencing the benefits of Heaven more than we are excited about seeing and being with Jesus?
4. Whose faith is progressing because of your influence in their life right now? How are you being intentional in that relationship?
5. How is joy linked to longing for Heaven?
