

# Worthy, Part 2

Philippians 1:27-30 | May 31, 2020

## Discussion Questions:

1. Do you often find it difficult to live cooperatively with other believers? Why or why not? What hurdles have you found in this?
2. Why is it difficult to see ourselves as soldiers in this spiritual battle?
3. Respond to this statement: "A body of believers who has taken their eyes off of making new disciples as well as growing stronger disciples is destined to squabble with one another and squander their opportunity to impact their culture and community for Christ."
4. How does standing fast in one spirit and one mind help the furtherance of the gospel of Christ?
5. What is your main spiritual gift, and how are you currently serving Christ and His Church with it?
6. How are you intentionally living out the victory Christ has won for you? What are you doing with your life that will matter eternally? Does something need to change in your life?
