

Choosing Humility: Humility's Heart

Philippians 2:1-2 | June 21, 2020

Discussion Questions:

1. Why is humility such a challenge for Christians even though we are in Christ?
2. How does having a clearer picture of the nature of God help us choose humility?
3. How would you practicing humility impact the lives of your family? Neighbors? Coworkers? The world in general?
4. What specific relationship could use a strong dose of your "I am second" mindset this week? (family, neighbors, coworkers, etc...)
