

Choosing Humility: Humility's Height

Philippians 2:5-8 | July 12, 2020

Discussion Questions:

1. Do you ever sometimes struggle when you don't get the good you feel you deserve? Why do you feel you deserve whatever that is? How do you typically respond when this happens?
2. How does considering what Jesus surrendered, took on, and endured encourage you to live humbly to serve others?
3. Who in your life needs you to humbly treat them as Jesus has treated you? In what specific ways can you begin doing that this week?
4. How is the Church to reflect Christ's humility? In what ways can the Church be Christ's hands and heart to a hurting world—including those in the Church? Give practical suggestions.
